Delamo GREEN CLEAN Products

Made from

Recycled Rubber Tires and Plastic

The Delamo GREEN CLEAN collection of professional and home care cleaning tools are made in the United States, exemplify quality, economically competitive, environmentally friendly and conserve our natural resources. The functional, beneficial and inventive Delamo GREEN CLEAN product line is manufactured using a proprietary scrap tire rubber and plastic compound mix made from 100% post consumer waste. The Delamo GREEN CLEAN collection of products includes trash cans, wringer buckets, lobby dust pans and more.

The Delamo GREEN CLEAN team of professionals is passionate and committed to recycling and preserving the environment. The team has built on their expertise and reputation for manufacturing cleaning tools by introducing its new Delamo GREEN CLEAN collection of recycled products. The manufacturing process saves energy, minimizes greenhouse gasses, diverts tires and plastic from the landfills and results in the enhancement of environmental credentials.
