

# Multi-Scrub

1.5 HP / 175 RPM  
 Super Heavy-Duty Floor Machines  
 with 5 Interchangeable Aprons

## MultiScrub Design and Engineering Features

- Precision balanced, 1.5 HP, heavy-duty 66-frame motor for easiest operation.
- Five interchangeable aprons in 13", 15", 17", 19" and 21" sizes are easily changed with 3 thumb nuts.
- Scrub with a rotary brush 2" smaller than apron size, or a pad and pad driver 1" smaller than apron size. Fast, easy brush mounting with a "B" style / "92" style clutch plate.
- All metal chassis gives added weight for fastest results. Polished surfaces are easy to clean and look newer longer.
- Safety enhanced interlock switch leaves both hands conveniently in control.
- Safety enhanced non-conductive dual triggers eliminate shock potential.
- 48" tall handle is fully adjustable to be comfortable for all operators.
- Includes 50 foot safety power cord. Motor plugs in at handle base for easy maintenance.
- Non-marking super-thick bumpers protect floors, walls and baseboards.
- Triple-planetary high torque transmission handles the most demanding applications.
- Non-marking retractable 6" wheels for easy transport.
- 5 year warranty on motor, transmission, and chassis.

*Build a  
 Fleet of Floor  
 Machines  
 with Up To  
 5 Interchangeable  
 Aprons on  
 1 Base Machine*

### SPECIFICATIONS
