

Simple Solutions

BOTTLE FILL

BOTTLE FILL

#30 *Glass and surface Cleaner*

Concentrated window cleaner for maximum dilution and economy. Non ammoniated formula cuts through soil without streaks or smears. Safe on glass, mirrors, windows, Plexiglas, chrome, Formica, plastic, and vinyl

#20 *General Purpose Neutral Floor Cleaner*

Neutral Multi-Purpose Cleaner uses a careful blend of high and low pH surfactants, emulsifiers and wetting agents to accomplish a neutral multi-purpose cleaner. It will clean oil, grease, grime, dirt, inks and most other soils, Will not harm any surface which is unaffected by water, including tile, terrazzo, porcelain, marble, concrete, enamel and metal. Will not remove or harm floor finishes. Fresh fragrance.

#73 *Odor Destroyer*

Revolutionary air freshener & malodor destroyer. Utilizes proprietary odor inhibitors to change the molecular structure of odor causing substances. Exclusive #73 essence blooms to fill the area with a beautiful modern fresh scent. Controls odors for over 24 hours.

BUCKET FILL

#41 *Non Acid Washroom Cleaner*

Acid-free cleaner for renovation of shower room floors and walls. Proprietary blends penetrate and emulsifies fortified soap scum, body oils and beauty aids without the use of harsh acids. Provides top performance in a user-friendly product. Concentrated fume-free formula.

#51 *Deodorant Disinfectant Cleaner*

Multi-purpose hospital grade disinfectant detergent designed for controlling the hazards of cross contamination. Built-in cosmetic fresh fragrance leaves behind a fresh clean aroma. Effective at 2 ounce per gallon on a broad range of bacteria, viruses and fungus. Kills HIV-1 (associated with AIDS), VRE, HBV and MSRA. EPA registered.
