

# Simple Solutions

**BOTTLE FILL**

**BOTTLE FILL**

## #30 *Glass and surface Cleaner*

Concentrated window cleaner for maximum dilution and economy. Non ammoniated formula cuts through soil without streaks or smears. Safe on glass, mirrors, windows, Plexiglas, chrome, Formica, plastic, and vinyl

## #51 *Deodorant Disinfectant Cleaner*

Multi-purpose hospital grade disinfectant detergent designed for controlling the hazards of cross contamination. Built-in cosmetic fresh fragrance leaves behind a fresh clean aroma. Effective at 2 ounce per gallon on a broad range of bacteria, viruses and fungus. Kills HIV-1 (associated with AIDS), VRE, HBV and MSRA. EPA registered.

## #73 *Odor Destroyer*

Revolutionary air freshener & malodor destroyer. Utilizes proprietary odor inhibitors to change the molecular structure of odor causing substances. Exclusive #73 essence blooms to fill the area with a beautiful modern fresh scent. Controls odors for over 24 hours.

**BUCKET FILL**

## #41 *Non Acid Washroom Cleaner*

Acid-free cleaner for renovation of shower room floors and walls. Proprietary blends penetrate and emulsifies fortified soap scum, body oils and beauty aids without the use of harsh acids. Provides top performance in a user-friendly product. Concentrated fume-free formula.
